

## W. A. Sutton & Son

Mt. Sterling's Pioneer Furniture Dealers—Largest Concern of its Kind in this Section.

The firm of W. A. Sutton & Son, P. Sutton, two of Mt. Sterling's most popular and successful business men. Their large business has been acquired through correct business dealings with their customers and their straightforward way of transacting business. They are both liberal-minded, public-spirited citizens and have aided much toward the making of a "Greater Mt. Sterling." They are interested in every move for the bettering of conditions here and have done much toward making Mt. Sterling one of the best and most attractive cities in the entire State.

We heartily recommend these splendid gentlemen and their goods to the people of Mt. Sterling and surrounding territory.

## Mt. Sterling Garage

A Young Enterprise, Launched Only a Few Years Ago Which is Rapidly Gaining in Popularity

The Mt. Sterling Garage, located on West Main street, directly across the street from the Government building, and owned by Messrs. Robt. L. Stone and Perry Flora, is rapidly forging to the front as one of the leading enterprises of this city.

This concern threw its doors open to the public only a few years ago and has enjoyed a large and ever-growing patronage.

This garage is a large and roomy place, well arranged and would do credit to a city many times the size of Mt. Sterling. A magnificent machine shop is run in connection and is under the charge of Mr. Perry Flora, one of the most thoroughly skilled mechanics in this section. Cars are over-hauled in a thorough manner and all work is guaranteed to give absolute satisfaction. They also do vulcaniz-

ing and are splendidly equipped in this department.

A large and varied line of tires and other automobile accessories is carried in stock. They have a 500-gallon gasoline tank and sell at the lowest market price.

The Buick and Jeffrey cars are handled exclusively and the large number of users of these two makes in this section speaks volumes for the thrift and progressive ideas of these two hustling young business gentlemen. They have made the Buick the most popular medium priced car in this section and are selling scores of them annually.

Coming to this city a few years ago, almost unknown, as these gentlemen did, they are rapidly rising to the front and by their progressive methods and public-spirited ideas are adding to the commercial and social life of this community.

## Star Planing Mill Co.

A Large and Well Established Lumber Concern Which Has Added Much to the Prosperity of Mt. Sterling

Established in 1875, the Star Planing Mill Company has for the past forty years done a thriving and growing business. This is the oldest planing mill in Mt. Sterling and is well and favorably known throughout this section of Kentucky for the excellence of its products. It is located on Richmond avenue, with a private switch to the main line of the Chesapeake & Ohio railway. The plant is equipped with all the latest labor-saving machinery and only the most skilled workmen are employed.

The firm is composed of Messrs. E. F. Robertson and W. T. Tyler, two of this city's leading business men. They are both honorable, upright Christian gentlemen, are progressive and enterprising and have done much toward advancing the best interests of Mt. Sterling. They have been thoroughly schooled in the lumber business by long years of experience and are recognized as ex-

perts in their chosen business. This concern handles the very best of lumber including the finest hand-sawed oak and poplar. They are prepared to furnish, on short notice, the best that is to be had in fancy dressed lumber such as is used in interior work as well as a high grade of rough lumber.

This company is the exclusive manufacturer of the celebrated "Torrent Churn," which is known throughout the United States for its superiority over all other makes.

Mt. Sterling is deeply indebted to this large concern for the progress it has made in the past and the future seems destined to be even brighter than the past and the prosperity of this plant means prosperity for Mt. Sterling.

The Star Planing Mill Company is one of real merit and we heartily endorse this gigantic enterprise as one of the most reliable in its line in this section of the State.

## Land & Priest

Successors to Thos. Kennedy and One of this City's Most Prosperous Drug Concerns

The firm of Land & Priest, successors to Thos. Kennedy and located on West Main street, is one of Mt. Sterling's most popular and prosperous drug stores. The store is beautiful and modern throughout, has elegant show windows and every up-to-date device which has a tendency to efficiency and the latest improved sanitary methods has been installed.

A large and well selected stock of pure drugs, druggist sundries, patent medicines, toilet articles, kodaks, chemicals, books, magazines, daily newspapers, stationery, etc., is carried at all times.

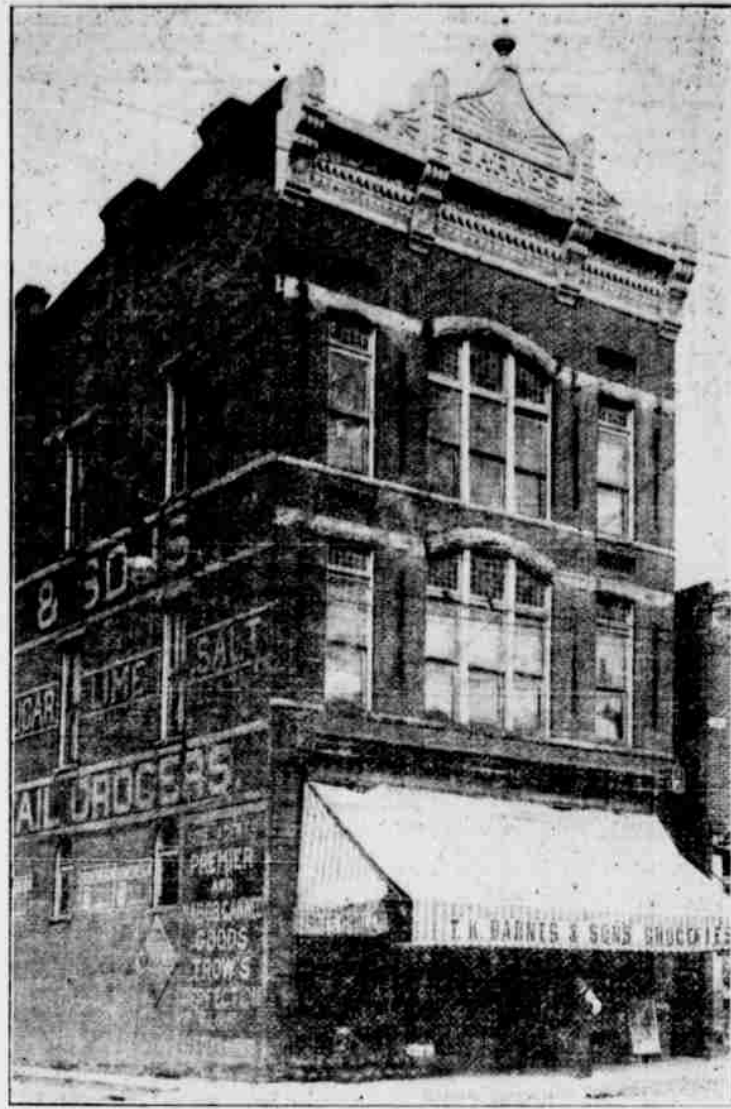

The members of the firm, Messrs. Ben Land and Hunt Priest, are two of this city's most popular and deserving young men. They are both registered pharmacists and their patrons are assured of receiving the most polite and skilled attention in the compounding of drugs.

Their stores is a store of completeness and the manner in which they treat their customers is complimented by their large and increasing trade. Both of these young gentlemen are enterprising and competent and their names are sure to hold a prominent part in the future history of Mt. Sterling, as it is their earnest endeavor to so serve the people of this community as to be deserving of a large share of their patronage.

## T. K. Barnes & Sons

Mt. Sterling's Oldest and Most Modern Grocery Store—Its Goods Have an Enviably Reputation For Their Excellence

The firm of T. K. Barnes & Sons in this section.

is Mt. Sterling's oldest grocery concern. Their place of business is located on South Maysville street and is one of the most sanitary and perfectly arranged stores that can be found anywhere. The members of the firm, Mr. T. K. Barnes and three sons, Messrs. R. D., J. M. and R. M. Barnes, are four of this city's leading and most substantial business men. Obliging and courteous treatment has long been the watchword of this concern and only polite and efficient clerks are employed.

Only the very best obtainable brands are carried and the trade has become to know "if it comes from Barnes' it's good." They carry an immense line of stable and fancy groceries and for a long number of years have been favored with a patronage second to none.

The four gentlemen who comprise this firm are all sound business men of splendid judgment. They have a tact or knowing how to secure trade and how to keep it. They possess a pleasing manner and through correct business dealings have gained the confidence of this entire community.

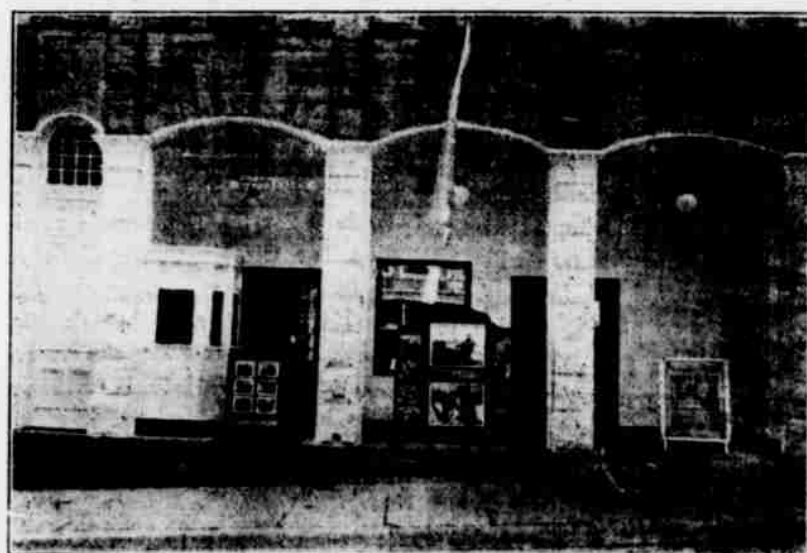

Their delivery service is prompt and to this department special attention is paid.

So large and complete is their stock at all times that people have become to know "if it's in town you'll find it at Barnes'."

Mt. Sterling feels indeed fortunate in having located here such a meritorious and thriving concern as T. K. Barnes & Sons, and it affords the management of this edition real pleasure in commending these high-class gentlemen and their most excellent stock of goods.

## PARAMOUNT THEATRE

One of the Prettiest and Most Up-to-Date Motion Picture Theatres in Kentucky.

The Paramount Theatre, the "Theatre Beautiful," recently opened in the Miller building on East Main street by Messrs. Lewis Judy and Marvin Gay, is one of the most beautiful and comfortable motion picture theatres in the State. Only the newest and best films are shown, showing all the famous actors and actresses now before the American public. The expense gone to to make this the most attractive and entertaining house of its kind in this section has been enormous but the management feels the public will appreciate the high grade pictures which they are offering and that

they will play to record breaking crowds. The music at this house is superb and is furnished by Mrs. Emilee Hibler Reid, pianist, and Prof. Bruce Reynolds, violinist. The ventilation is all that could be desired and electric revolving fans have been placed profusely throughout the theatre.

The owners and managers, Messrs. Judy and Gay, are both young local business men of the highest class. They are popular and deserving, have lots of enterprise and splendid business acumen and we feel confident in predicting that their new venture will meet with their most sanguine hopes.
